

PEPPERELL MUSIC ORGANIZATION

2021-2022

Dear Parents/Guardians,

The Pepperell Music Organization (PMO) board welcomes you and your student(s) to a new year of music and invites you to join our efforts.

The Pepperell Music Organization was formed in 2018 with a mission to promote and sustain high-quality music education in the schools. PMO understands that students engaged in performing arts programs benefit from knowledge, skills, and experiences unobtainable from any other subject. PMO manages the extensive financial, logistical, and advocacy needs of the 4th through 8th Grade Performing Arts Program that cannot be met by the school district resources. We need your support to keep our organization going strong.

Please contact any of the board members with questions, issues, or ideas. We also use our facebook page to relay important information, please request access to our group and see/hear the happenings in our program. You can find us by searching for PMO (Pepperell Music Organization)
